

Metamark Single Sided Polish

Metallised Promotional Films

METAMARK

The Materials Company

Product Description

Metamark Single Sided Polishes feature a high gloss mirror finish, for promotional signage, retail displays and decorative effects. The metallised film is laminated to a white pvc base film to provide greater adhesion than standard polyester polishes. They are top coated for screen printing, and are suitable for interior applications onto flat or simple curves.

Typical Applications

- Suitable for interior single sided applications onto flat or slightly curved surfaces.

Application Guidelines

- Suitable for wet application.
- Not suitable for use on compound curves.
- The user should determine suitability of all substrates – refer to www.metamark.co.uk/technical for advice on application surfaces.

Face Film

Face Film:	PVC base with polyester overlamine
Gauge:	125 micron nominal
Tensile Strength	In excess of 100N/25mm
Surface Energy	>40 dynes / cm sq.

Adhesive

Type	Solvent based permanent acrylic pressure sensitive
Weight	22gsm +/- 2gsm
Adhesion to glass 20 mins	8N/25mm nominal
Adhesion to glass 24 hour	12N/25mm nominal
Shear value	High
Application temperature	5°C to +60°C
Service temperature	-30°C to +110°C

Release Liner

Type	Clay coated kraft paper
Gauge	140 mym nominal
Weight	137gsm nominal

Finishes

Finishes Available	MM-SSS Single Sided Silver
	MM-SSG Single Sided Gold

Durability

Self Life	1 year
Exterior Life:	Interior use
Fire Rating	Self-extinguishing. The fire rating is a function of the substrate

Warranty: Metamark (UK) Limited warrants to its customers that completed decorative markings which utilise Metamark SignVinyl will remain in good condition without excessive fading or colour degradation for the specified life time of each material when correctly stored and applied in accordance with procedures outlined in the technical literature. If within the specified years of normal use Metamark SignVinyl becomes ineffective for its intended use, then Metamark will provide sufficient material to produce a new replacement marking, and will also, at its own discretion, contribute an allowance towards the costs involved in replacing the graphics. **Please Note:** The above data is given in good faith to provide an indication of the performance of the product. Purchasers should consider the suitability of each product for its intended use and the purchaser assumes all risks in connection with such use. Seller shall not be liable for damages in excess of the purchase price of the product nor for incidental nor consequential loss.
