

Metamark Carbon Fibre Effect

MM-CF2 / Metallised Carbon Effect

METAMARK

The Materials Company

Product Description

Metamark MM-CF2 Carbon Fibre Effect Vinyl offers a simulated appearance of the real product, for outdoor graphics, vehicle detailing and computer cut signage. The product achieves a realistic effect due to its metallised film and 3D finish, created by a hot-embossed process. It is durable for up to 5 years exterior use.

Typical Applications

- This product creates a striking finish for signage and vehicle detailing, for indoor and outdoor applications, onto flat or simple curved surfaces. It is not suitable for compound curves, as it is semi-rigid and non conformable.

Application

- Suitable for computer cut graphics. Do not apply wet, due to the real metal film on the reverse.
- Only suitable for flat or simple curves, on smooth surfaces.

Face Film

Face Film: 65 micron metallised vinyl

Adhesive

Adhesive 25 micron permanent solvent pressure sensitive acrylic
Application Temperature +16°C min
Service Temperature -20°C to +75°C
Initial Adhesion to stainless steel 450 N/m FINAT FTM-1
Adhesion 24 hours 540 N/m FINAT FTM-1

Release Liner

Liner Release: 145gsm PE kraft

Finishes

Finishes Available MM-CF2 Carbon Fibre Effect

Durability

Outdoor Durability 5 years when properly processed and applied.
Storage Stability 1 year, stored at +73°F and 50% RH
Water Resistance No Effect
Flammability Self-Extinguishing

Warranty: Metamark (UK) Limited warrants to its customers that completed decorative markings which utilise Metamark SignVinyl will remain in good condition without excessive fading or colour degradation for the specified life time of each material when correctly stored and applied in accordance with procedures outlined in the technical literature. If within the specified years of normal use Metamark SignVinyl becomes ineffective for its intended use, then Metamark will provide sufficient material to produce a new replacement marking, and will also, at its own discretion, contribute an allowance towards the costs involved in replacing the graphics. **Please Note:** The above data is given in good faith to provide an indication of the performance of the product. Purchasers should consider the suitability of each product for its intended use and the purchaser assumes all risks in connection with such use. Seller shall not be liable for damages in excess of the purchase price of the product nor for incidental nor consequential loss.
