

# Metamark Dry Wipe Vinyl

For Whiteboard Use

**METAMARK**

The Materials Company

## Product Description

This self adhesive white gloss vinyl is typically used for creating dry wipe boards. It is a calendered vinyl custom formulated for basic signs.

## Typical Applications

- It is designed for interior use with dry erase type markers, test suitability of pens before use. We suggest testing the NOBO Quartet Dry Erase Pens or EXPO Dry Erase Fine Tip pens. The material may be written on repeatedly and will wipe clean with a dry tissue.
- The customer should determine the suitability of marker prior to use.

## Maintenance

- Clean with soft dry non-abrasive cloth
- Any residual build up of pens over time may be cleaned with warm soapy water and a soft cloth.

## Face Film

Thickness 160 micron

## Finishes

Finishes Available MM-DW White Gloss

## Adhesive

Peel adhesion 4.4 lb/in (180° peel after 24 hours)  
Application temperature +40°F to +180°F  
Service temperature -40°F to 180°F

## Durability

Dimensional stability No measurable shrinkage  
Exterior life Interior use only  
Shelf life 1 year (<70°F and 50% RH)  
Chemical resistance Resistant to mild acids, alkalis and salts  
Solvent Resistance Resistant to most petroleum based oil, grease and aliphatic solvents.

**Warranty:** Metamark (UK) Limited warrants to its customers that completed decorative markings which utilise Metamark SignVinyl will remain in good condition without excessive fading or colour degradation for the specified life time of each material when correctly stored and applied in accordance with procedures outlined in the technical literature. If within the specified years of normal use Metamark SignVinyl becomes ineffective for its intended use, then Metamark will provide sufficient material to produce a new replacement marking, and will also, at its own discretion, contribute an allowance towards the costs involved in replacing the graphics. **Please Note:** The above data is given in good faith to provide an indication of the performance of the product. Purchasers should consider the suitability of each product for its intended use and the purchaser assumes all risks in connection with such use. Seller shall not be liable for damages in excess of the purchase price of the product nor for incidental nor consequential loss.
