## Need a machine that isn't on the list ? Ask us if we can source one or put you on the waiting list !

---

All prices are subject to VAT.

\*Delivery, installation, and training is subject to mainland UK, ground floor location and approval of our pre-installation checklist.

\*\*Please note that we supply a full set of ink with refurbished machines, however, approx. 25 – 30% of the ink is used during the inking up process and as such on average you will be left with approx 70 – 75% of inks.

\*\*\*£500 reserve, secures the machine for 48hrs.

\*\*\*\*Figures quoted are a guide only and subject to change dependent on loan amount, asset, and individual circumstances. Guide figures based on a 3-year term.
